**Reciprocity:** Between December and July, you may request reciprocity (through the CDO) with a participating law school in New York to visit their career services office and access their job postings. Each law school sets its own reciprocity policy; therefore, certain law schools may not allow for access to their job postings to individuals other than their own students and alumni. To find out the reciprocity policy of a particular law school, visit: [www.nalp.org](http://www.nalp.org) (click on "Professional Resources" and "Career Services"). Reciprocity is usually available for only 3 months. Also, you may only request one law school for reciprocity purposes when job searching in a large metropolitan area. If you are planning to study for the bar in New York, let the CDO know and we can initiate a reciprocity request for you.
